Your Chosen Path to Forgiveness

Q4. Description of Event (This will appear in the Schedule if selected):

Have you ever experienced deep disappointment, hurt or betrayal in an important relationship? Are you still suffering from a trauma or conflict that occurred years ago? Do you have unresolved issues that affect your finances, relationships or health? Forgiveness is an incredible healing pathway that allows for the release of those whom you believe to have offended you. However, forgiveness is not for the offender's sake but for the health and well-being of the one who was offended. Not forgiving is bad for one's health, even dangerous. Not letting go of the grudge is like holding onto an incurable disease. Like cancer, for example, it eats away at you from the inside out. So does unforgiveness! Forgiveness is a process where you learn to forgive others without excusing or condoning the offense. The process teaches how to move beyond emotional wounds to a place of healing. The outcome is the regaining of power and strength of the person who was offended resulting in a fulfilled life. Join me for this transformative session, "Forgiveness: The Art of Letting Go" and experience the healing power of forgiveness for yourself.
