Self-Publishing Made Easy: 5 Strategies to Publish Your Bestseller After spending way too much money to create an inferior-quality book, the average self-published author only sells 75 copies. That's not enough to cover publishing costs let alone turn a profit. So with polished manuscript in hand, what's next? Self-publish? Vanity press? Print-On-Demand? Self-Publishing Made Easy will save you thousands of dollars, hours of research and mountains of frustration. Avoid the top five mistakes made by new authors. Learn how to price your book to sell. Get industry secrets publishers don't want you to know. Created by Valerie J. Lewis Coleman, an expert problem solver with over fifteen years of experience in the book industry, this workshop will navigate you through the mysterious labyrinth of self-publishing to make publishing quick, easy and affordable!
