From Mess to Magnet: 5 Secrets to Attract and Keep Lasting Love

Q4. Description of Event (This will appear in the Schedule if selected):

Does this sound familiar? You prayed, fasted and shouted over the prayer box, and yet, no husband. You have more bridesmaid dresses than you care to mention. You have hosted enough bridal showers to last a lifetime. And if one more guy tells you that you are too special to be single, you will scream! Instead of trying to rush God's promise like Sarah did with Hagar; focus on being anointed for marriage. Queen Esther spent an entire year preparing for one night with a man who was already her husband. How much more preparation is required for a man whom you haven't met? Since faith without works is dead, what works are you putting into becoming a wife? Do you know what God expects of you? Will you be able to recognize your king through His eyes? Will you be ready for your bridegroom or miss the opportunity because your lamp was without oil? Valerie J. Lewis Coleman shares real-life relationship advice to help you make biblically-sound decisions to attract and keep lasting love. Using humor and wit, she divulges tips, techniques and suggestions to maneuver through adverse situations to build relationships from phileo (platonic) to storge (friendship) to eros (romantic) to agape (unconditional) love. Your audience will enjoy Valerie's proven advice on Three things that lead women to make terrible relationship decisions Every man's private marriage checklist: what makes a woman irresistible to a man How to become a "man" whisperer with relationship advice from men that women would be crazy to ignore Being empowered to break the cycle of shattered relationships Managing emotions to make sound relational decisions Affirming self-love, self-worth and self-respect
