

As Long As There Is Breath In Your Body, There Is Still Hope

As Long As There Is Breath In Your Body, There Is Still Hope is *Dr. Rosalind Tompkins'* second edition to "As Long As There Is Breath In Your Body, There Is Hope". The journey of hope continues as she shares her powerful story of addiction and recovery and takes us beyond where the first book left off. **As Long As There Is Breath In Your Body, There Is Still Hope** is an upgraded

2.0 version of hope that inspires others to know that there is still hope no matter what they may be facing in life.

Need a little hope? Do you know someone who does? If you answered, "Yes" to either of these questions, you will love **As Long As There Is Breath In Your Body, There Is Still Hope**.

Dr. Rosalind Tompkins, founder of the National Month of Hope through her non-profit organization, Mothers In Crisis, Inc., takes us on her personal journey of hope and brings us out with "eight pearls of wisdom" that are invaluable.

Read **As Long As There Is Breath In Your Body, There Is Still Hope** and learn how to Release the Power of Hope. Do you believe that hope can change the world? *Dr. Rosalind Tompkins* does, and she shows us how as she shares her powerful story of overcoming addiction and starting the non-profit organization Mothers In Crisis. She also shares the stories of others who found

hope. Learn practical ways to receive hope and share it with others who desperately need it.

Rosalind Y. Tompkins' whose moniker is Hopeologist, received an honorary Doctorate of Humanities Degree from the Five-Fold Ministry Theological University in 2012 recognizing her as a Humanitarian for the work that she has done to end drug and alcohol addiction and to relieve the suffering of families afflicted by the disease of addiction through her work with Mothers In Crisis, Inc. **Dr. Tompkins** founded Mothers In Crisis, Inc. (MIC) in April 1991. Mothers In Crisis is a 501c3 federal tax-exempt non-profit organization committed to linking families and communities together to provide networks of support and encouragement for families to live productively, empowered, hope-filled lives. Through MIC she has impacted the lives of thousands of families. In June 2017, **Dr. Tompkins** was instrumental in getting the designation for April to become the National Month of Hope through the National Day Calendar. In keeping with her humanitarian call, **Dr. Tompkins** has traveled throughout the nation and around the world to many countries including East, West, Central, and South Africa, Jamaica, the Dominican Republic, Haiti and Turkey, to spread hope to those most in need, i.e., widows, orphans, and refugees. **Dr. Tompkins** is the published author of "As Long As There Is Breath In Your Body, There Is Still Hope", "Nimble Anointed Words Empower, N-AWE", a book of Poetry and other inspirational books. **Dr. Tompkins** is an inspirational and influential poet whose passion in life is studying and spreading hope while empowering others to spread hope as they tap into their God given power, potential, and purpose.
